Mr. William G. Miller
Staff Director
Select Committee To Study Governmental
Operations With Respect To Intelligence
Activities
Room G-308
Dirksen Senate Office Building
Washington, D. C. 20510

Dear Mr. Miller:

In reviewing the section of the Senate Committee's final report entitled, "Summary of Defense Intelligence", we have noted a recommendation that all SIGINT should be centralized under NSA, and that CIA's SIGINT programs should be transferred to NSA.

The heads of appropriate Agency components have asked what is the basis for this recommendation? They are not aware of any effort by the Committee staff to explore the pros and cons of such a significant issue. They would welcome the opportunity to present the Agency's viewpoint to the Committee staff.

Sincerely,

Walter Eider
Review Staff
